

SIP Intercom Integration

C12891

SIP Intercom Integration

Product description

The Gallagher SIP integration has been developed to increase customers' buying options and provide them with the flexibility to choose an intercom system that is right for their business.

Some intercom systems are not always suitable for small to medium sites, both in terms of cost and ease of deployment. In addition, some large multi-tenanted sites have a need to deploy a large number of intercoms and these need to be cost-effective. The Gallagher SIP Intercom Integration provides a flexible and cost-effective solution in situations such as these.

Key Benefits:

The Gallagher SIP Integration supports intercom devices that are SIP enabled and allows an Operator to:

- Answer an intercom call from Command Centre workstation
- Call a SIP intercom from Command Centre workstation
- Forward a call between Command Centre workstations and SIP intercom devices
- Place a call on hold
- Hang up a call
- View an intercom video*
- Grant access.

*video quality must be 1080p or lower. Viewable On Site Plans
Intercoms are viewable on Command Centre Site Plans. This allows the Operator to use the Command Centre Site Plan to:

- Monitor intercoms
- Dial an intercom
- Answer and hang up a call
- Forward a call (excluding SIP intercoms).

Product details

- License Information: This C12891 SIP Integration includes 5 SIP Device licenses
- Available and supported: Worldwide.
- Supported Intercom Devices
 - Standard SIP intercom
 - Model: Axis A8207-VE Mk II Network Video Door Station
 - Supports video: Yes
 - Supports call forwarding: Yes
 - Model: AXIS A8105-E
 - Supports video: Yes
 - Supports call forwarding: Yes
 - Model: 2N® IP FORCE
 - Supports video: Yes
 - Supports call forwarding: No
 - Model: Zenitel Vingtor-Stentofon TCIV-3+
 - Supports video: Yes
 - Supports call forwarding: Yes
 - Standard SIP speaker
 - Model: Axis C1004-E Network Cabinet Speaker
 - Supports video: No
 - Supports call forwarding: Yes
 - Model: Zenitel Vingtor-Stentofon TKIS-2 Speaker
 - Supports video: No
 - Supports call forwarding: Yes
 - Aiphone
 - Model: Aiphone IX-DV
 - Supports video: Yes
 - Supports call forwarding: Workstation to workstation only
 - Model: Aiphone IX-DVF-2RA
 - Supports video: Yes
 - Supports call forwarding: Workstation to workstation only
 - Model: Aiphone IX-SS-2G
 - Supports video: No
 - Supports call forwarding: Workstation to workstation only
